## ORANGE BALL & GREEN DOT

**ORANGE BALL** - For children beginning tennis who want to build fundamental skills that will set them on a path of continuous growth.

**GREEN DOT** - A step up from Orange Ball, players can continue to hone their tennis basics and add more skill-based structure.

These programs are for the juniors who want to pursue higher levels of tennis. Parents will be billed monthly. The programs are ongoing and will only be stopped when the club is provided a cancellation notice. With vacations, rain, and illness always a factor, we do offer a yearly rate that gives 2 months free.

- Clinics taught by Harry Wright
- Program and scheduling run by Chris Dudeck

Our system is based on strong fundamentals in stroke production and efficacy, footwork for explosive movements, mental training, and a focus on creating a work ethic that empowers the player.

All players must be approved to register. Players need to apply with Chris and Vedant.

Includes the following:

- Clinics taught by Chris Dudeck or Vedant Raval
- Fitness training and conditioning in every clinic
- Monthly mental training seminar
